Empowering Youth Through Quality Education

NOTICE

All the students of GDC Salarzai Bajaur are hereby informed that the lecturers of English and Urdu will conduct a

Weekly Dictation & Creative Writing Test every Saturday.

IMPORTANT:

Excessive reliance on Artificial Intelligence may weaken students' creativity, imagination, independent thinking, and writing skills. Students are therefore encouraged to develop their own writing abilities through regular practice.

The tests will focus on spelling, vocabulary, sentence construction, creative expression, and independent writing.
